Makarios Consulting Inks Deal with Cadient Group to Provide Ongoing Leadership Development Services

Deal Marks Makarios' Continued Growth in the Pharmaceutical Supply Industry

November 26, 2007, Downingtown, PA –Makarios Consulting, LLC, a premier provider of custom leadership development and executive coaching programs, announced Monday the extension of its market reach with the signing of the Cadient Group, a Conshohocken, PA-based pharmaceutical marketing company, to an ongoing leadership development engagement.

Makarios Consulting was chosen as Cadient's leadership partner following a previous engagement with Cadient that included leadership development training for Cadient's senior management. As part of the current deal, Makarios will work with Cadient to provide continued leadership development training and executive coaching, organizational dynamics consulting, application of learned leadership skills and knowledge management.

"We needed a knowledgeable, flexible leadership development partner that could devise custom programs to meet our specific needs," said Stephen Wray, president and CEO of the Cadient Group. "At Cadient, we are fully committed to investing in leadership and personal development to support the business as it evolves. Having proven its value to us in the past, Makarios was the ideal partner to help keep Cadient on course with our leadership development initiatives."

"We're thrilled to be working with Cadient given its status as a key player in the pharmaceutical marketing industry," said Tim Thomas, president of Makarios Consulting. "With our experience in the pharmaceutical supply industry, Makarios is a perfect fit for Cadient. We are looking forward to working with Cadient to help it further develop its leaders and encourage productivity and growth," Thomas concluded.
